

# Loring Community School Annual

## Science Fair & Showcase night

Thursday, May 26<sup>th</sup>, 2016

Has your child/children decided to do a Science Fair project? If so, it is time to start to read and learn about the area they have chosen to study. If they will be doing an experiment, they will need to get started now.

Please fill out the slip below and return it to school as soon as possible so we can plan to have enough tables available for the students' displays. The students will put up their displays between 4:45 p.m. and 5:00 p.m. They will exhibit them from 5:00-6:00 p.m.

Children should give the form to their teachers. Their teachers will get them to the office.

Questions can be directed to the classroom teacher.
