

# Loring Community School 2020-2021 All School Supply List

Watch for Back-to-School sales that start shortly after July 4th. This is when you are going to find the best selection and the lowest prices. Although store brands may sometimes be cheaper in price, they are often of lesser quality. The products often do not work as well or last as long. Supplies are collected to be shared by all students in the class during the year. Individual teachers may request additional supplies from this list throughout the year.

**In lieu of providing supplies, you may donate to the LCC/PTA who will provide staff with supplies when needed.**

**ALL GRADES: Please provide headphones or earbuds for your student, which will be used as a curriculum tool with district-approved electronics**

**DO NOT LABEL THESE ITEMS THEY WILL BE COMMUNITY PROPERTY**
